

Agricultural Day 2023

Titipounamu - Indoor Exhibits

Our theme for Ag Day this year is...

Flora and Fauna

We have been very busy in class making all sorts of art. These will be displayed in our class on Ag Day.

However, to be prepared for Ag Day there are some things that you are going to have to start thinking about and practising at home.

The week before Ag Day we will be preparing our indoor exhibits ready for displaying and judging. The displays will be in each child's classroom and will be judged by independent people. The exhibits are a big surprise for you to view at **Ag Day on Saturday 23rd September**. The classrooms will open at 11:00am.

You will need to send in some or all of the materials required to make the following exhibits. Please clearly name all containers. It is also helpful if the children bring their objects for each exhibit in a separate bag or box.

Thank you for your support. Please let us know if you have any questions.

Warm regards,
Sue Brady and Christina Reddish

Miniature Garden

We will make the miniature gardens at school. We will provide the container and sand. All you will need to do is supply the **scene materials**. Please keep these as natural as possible e.g. moss, greenery, stones.

Please bring the materials in on **Friday 22nd September**. We are going to assemble the miniature gardens on this day.

Unusual Container of Weeds:

Please bring an Unusual Container that holds water. As there is a shortage of flowers and they are very expensive we have decided to fill the container with a weed or succulent arrangement.

Please bring your container and weeds/succulents in on **Friday 22nd September**. We will assemble the arrangement at school on this day.

Decorated Biscuits:

The biscuits will be made at school. Each child will have three biscuits, to decorate like a flower.

We will provide all the icing and decorations required for the biscuits.

It would be great if you are able to practise icing biscuits at home using a piping bag.

We will be decorating the biscuits on **Thursday 21st of September**.
