

# Agriculture Day 2018

Tui Room (4) - Indoor Exhibits

Our theme for Ag day this year is Winter Wonderland

To help with Ag day this year you will need to send in some of the following materials required to make some of the exhibits.

## Winter Themed Cupcake

As part of our Winter wonderland theme for Ag day children will be decorating winter themed cupcakes. We will be providing the cupcakes for each student to decorate. All you need to do is supply the decorations for these depending on your child's chosen creation. We will be decorating our cupcakes in the last week on Thursday 27th September. Here are some ideas and Pinterest is a great source for ideas too.

## Penguin Cookies

On Friday 28th September - Children will need to bring a penguin cookie in. This can be created at home and brought in already assembled. You can decorate a cookie like a penguin or create a 3D penguin using cookies as your base. You may use any biscuit you like, you can bake one or buy the shape you require. Then use icing, fondant or any other decorations that you need.

### **Pressed Flower Jars**

Please could you bring \$3 to school by week 3, this is to go towards buying Mason Jars and LED tea light candles.

We will be needing lots of flowers pressed to put in these so if you are able to press flowers from your garden or supply some flowers to press please come and see me as soon as possible. We want to put these together by week 8.

### **Wooden Owls**

Any donations of brown or black buttons in various sizes would be appreciated.

### **Winter Flower Arrangement**

Please could you supply a smooth clear glass vase for your child's flower arrangement, nothing that is special as we will be glueing things to the outside. These could be any shape or size (however not too small i.e bigger than a drinking glass). These need to be in by week 5. In class we will be creating some snowflakes to arrange on the outside of these. On the Friday before Ag day (Friday 28th September) Children will need to bring some greenery/foilage and white flowers to put in their vase.

Just a reminder that the week before Ag Day we will be preparing our indoor exhibits ready for displaying and judging. The displays will be in each child's classroom and will be judged by independent people. These exhibits are a big surprise for you to view at Ag Day on Saturday 29th September. So during this last week please can you keep visits into the classroom to a minimum just so we can surprise you with all our amazing artwork.

If you have any questions please come in and see me at school or email [lizobrien29@gmail.com](mailto:lizobrien29@gmail.com) and I am more than happy to help.
