Junior Reading Meeting for Parents

We would like to invite you to an information afternoon on reading for parents of children in the Junior school. This informal session will be aimed at helping you when reading with your child at home in an effort to boost their progress in reading, and ensure an effective partnership with the classroom teacher. It will also include information on programmes run by classroom teachers, how to help your child at home and starting out in reading with your child.

The session will be held in the school library on Thursday 20 March, with a second session for those unable to attend the first on Tuesday 1 April at 3:15-4:00. These sessions will be run by Angela Lindgren (DP Junior School) and Lisa Robertson (Reading Recovery Teacher)

There will be an opportunity to ask questions and discuss your child's reading. We will also have a brochure with some useful information from the session for you to take away with you. We will provide supervision for your children in the hall to enable you to attend this information afternoon

Please RSVP to Angela Lindgreen if you wish to attend one of these sessions

Thought for the Week
