

Buckland School Newsletter

Buckland School is committed to providing quality education that engages all students fully in a wide range of learning experiences that will assist them in preparing for the challenges of the future.

31 October 2016

Dear Parents and Community Members
Tena Koutou

- ◆ **Olympic Value for the term:** Balance of Body, Mind and Character
- ◆ **St John First Aid Lessons**—This Thursday/Friday all students in Rooms 6—10 will be having first aid lessons. Could all children make a \$2.00 donation towards these valuable life skill lessons please.
- ◆ **Junior Production—The Litter Muncher**—Our junior school are working hard on learning their songs and scripts for their production that will be performed on the 29th and 30th of November.
- ◆ **Morning Crossing/Roadworks**—Please be aware that with the roadworks and the diversion around George Crescent there is a lot more traffic before and after school. Children need to be extra careful coming into school in the morning. Our crossing is a Kea crossing only and when the signs are not out cars do not have to stop. We will be providing a patrol from 8.30a.m. in the morning to help with this while the diversion is in place. Thanks to parents who used this, this morning.
- ◆ **Remote Control Car Missing**—If your child came home with a blue remote control car on Friday please return this to the school office as a pre-schooler left it on one of the BBQ tables and on his return from the playground it was missing. He would love to get it back.

Thank you

- Parents who supported our Franklin Central Group Day team. A special thanks to Kim Ngavavia for making our school contribution of food and help in the kitchen.
- Parents who joined us for last week's assembly
- BOT members for attending the BOT meeting last week.

Kawau Camp Fundraiser

Bronie has organised a Sileni wine fundraiser for the Yr 6/7 Kawau camp. If you would like order forms please email Bronie at bronwyn.stenson@smith-sons.co.nz. Close off date for orders and payment is the 10 November. Adults only to sell these please.

LOVE YOUR WATER

RECYCLE YOUR MOBILE PHONE TO HELP RESTORE IT

It would be great if you could rummage around in your drawers and toy boxes and bring into school any unwanted mobile phones you may have. Phones collected help your school gain valuable rewards and the environment benefits too by keeping our landfills free of mobile phones and their array of hazardous toxic substances. Please drop any unwanted mobile phones you may have in the collection box in the reception area at school.
