

Ruru Home Reading: Term 3 2025

Home reading is going to look a bit different this term.

Students will bring home a **reader of their choosing** to share with you. (Please read it to them if it is too hard). They may have seen this reader before.

At least one night the reader will be a **Phonics Plus** book, sent home to enjoy. This is the book we will have completed a lot of phonics work on during the week.

Phonics Plus books support our BSLA Structured Literacy programme. (More info can be found on the Ministry Parent Portal).

Phonics Plus books are also known as "decodable readers." They have been made especially to help your child learn how to read by blending sounds together, eg: c-a-t says "cat."

Save the date: Monday 28 July - Whanau Reading Workshop - where we will explain more about our BSLA Structured Literacy programme. (In Titipounamu, after Cross Country).
Ngā mihi
