

## Agricultural Day Indoor Exhibits in Ruru 2021

For the Indoor Exhibits section of Agricultural Day Ruru will be doing the following .....

**1. Floral Sand tray:** The children will be given a tray filled to the top with sand. Flowers are placed onto the sand so that no sand shows. *They might make a pattern, but they do not have to.* The sand **and the tray** will be provided at school. The size of the tray is 17cm x 12cm. You will need to provide enough flowers to cover the sand. (not a lot of flowers are needed for this). If you cut a piece of paper this size it will help you judge how many flowers might be needed.

**2. A miniature scene.** The students will make a miniature scene. The scene can be made however they want it to look. It might be a garden; an underwater scene; a beach; a park; a dinosaur scene; a hot wheels track. etc, etc. The scene **MUST** be put together at school by your child. It **can not** be made at home and just brought to school. We just ask that the container the scene is made in is **not TOO big**, please.

They can use sand or moss or flowers or shrubs or small "toy like" items etc, etc. There are no rules - but just remember to keep it **mini**. **The children will need to bring everything that is needed to make this.** If you are at all unsure please just come and ask.

**3. A cute critter made from fruit and/or vegies.**

For this you will need to provide either fruit or vegies (or a bit of both) to make a creature. Anything goes!!! It will need to fit onto an ice cream container lid. We will provide the ice cream container lid. It will be black. It can lay flat on the lid or it can stand up (3D).

e.g. Just google it to see HEAPS of suggestions.

**All of the above will be done at school on Friday October 1.**

A notice with reminders (and suggestions on how to package things that come to school on this special Friday) will come home much closer to the time.

**4. Our 4th Floral item** will be made at school a few weeks before Ag day. It will all be provided at school and completed in class.

**5. Cooking.** We will be making cupcakes at school and the children will decorate them to look like a Farm Animal. This will be done before Friday 1 October. If you look on pinterest you will get lots of ideas. You will need to provide the decorations for these. A note about these will come home a bit closer to the decorating time.

*As always if you have any queries please just ask.*

*Kerry and Angela*
