Car Restraints

With the law that came into force on 1 November 2013 it is important to remind parents who are transporting children in cars on school related trips that booster seats are mandatory for all children under seven years of age. For children over this age but who are under 148cm in height it is recommended that an approved booster seat be used. Parents/caregivers are responsible for providing named booster seats for drivers to use.

Student Book Club

Last day for orders—Thursday 5 June

Chocolate Fundraising for Camp—Yrs 4 to 8

Tomorrow is the last day to return notices for children wishing to sell chocolate to fundraise for camp.

SOW SPRING VEGGIES

Traditionally Matariki is about harvesting then preparing the land for next spring. Try sowing veggies like peas, broad beans, cauliflower, broccoli, cabbage and spinach.

Thought for the Week

"You can not have a positive life and a negative mind. (from It Only Takes Everything You've Got—Julio Melara)"
