

Buckland School Newsletter

Buckland School is committed to providing quality education that engages students fully in a wide range of learning experiences that will assist them in preparing for the challenges of the future.

28 July 2014

Dear Parents and Community Members
Tena Koutou

- * **Welcome** to Sam in Rm1A. We hope your association with the school will be a happy and rewarding one.
- * **Values for this term:** Community and Participation
- * **Dates for the Term**—These were on last week's newsletter and are also available on our Website calendar and the noticeboard outside the office.
- * **BOT Chairperson**—Mr Shane Harris has been voted in as the new BOT Chairperson. We thank Shane for his commitment to this role.
- * **Enrolment for 2015—Student Numbers**—At the next BOT meeting your Board must make the decision as to whether to hold a ballot for next year or not, and if so how many places will be available. We need your help to establish the closest approximation we can get on what our numbers will be at the beginning and throughout the year so that we can ensure staffing and funding supports our children. Would you please let Mrs Glasgow or Mrs Mills know if your child/children will not be attending in 2015 or if you know of new children to the school zone who will require a place.
- * **Gymnastics Lessons**—These are going to be held again for the Junior syndicate only. A separate note is coming home about these lessons at the Pukekohe Gymnastics club.
- * **Safety Reminders**—If you are riding your bike to school you must wear a helmet and should be riding your bike on the road not the footpath. All crossing of George Crescent must be done at the patrolled crossing. (Parents you need to be role models for this!) Walkers must remain at school until the teacher on duty calls you and then they will ensure you are crossed at the main road and rail crossing (if applicable) Parents have the responsibility of ensuring the safety of children in the morning.

Thank You to:

- ◆ Board members for attending last week's BOT meeting.
- ◆ To parents who joined us for last week's school assembly.
- ◆ Children for the great start they have made to Term 3.
- ◆ To the parents who helped with transport and supervision at the Matariki Games on Thursday.
