## **Kiwisport Funding - 2025**

The following report outlines the allocation of Kiwisport funding and additional school expenditure toward physical education and sporting initiatives for the 2025 academic year.

### 1. Kiwisport Funding Allocation

For the 2025 period, the school received a total Kiwisport grant of \$3,850.00. These funds were strategically distributed across the following areas:

- **Equipment Upgrades:** Modernizing existing resources to ensure student safety and engagement.
- **Student Participation:** Subsidy of registration fees and subscriptions for local sporting competitions and the NZAims Games in Tauranga.
- **Specialized Resources:** Procurement of specific Ki-o-rahi equipment to support traditional Māori sports.
- **Infrastructure:** Investment in permanent storage solutions to maintain and protect the school's sporting assets.

---

### 2. Additional Sporting Expenditure

Beyond the Kiwisport grant, the school committed further financial resources to enhance our athletic programs:

Expenditure Item	Amount	Description
Instruction & Gear	\$1,363.00	Professional lessons and various general sports equipment.
Gaga Pit Construction	\$2,587.50	Capital expenditure for a permanent Gaga Pit (School Asset).
Total Additional	\$3,950.50	

---

### 3. MOE Donation Scheme & EOTC

Funds from the Ministry of Education (MOE) donation scheme were specifically allocated to support Education Outside the Classroom (EOTC). This funding provided Year 3–8 students with access to qualified instructors and specialized equipment during school camps, ensuring all students could safely experience a diverse range of outdoor and sporting activities.

---

#### 4. Community and Extracurricular Engagement

Our school maintains a high level of student participation in organized sports, both during and after school hours. To support this culture of physical activity, the school continues to provide its grounds and facilities for the training and development of various local teams.

Summary Statement: Through the combination of Kiwisport funding, MOE schemes, and school budget allocations, we have successfully increased both the quality of our sporting assets and the breadth of opportunities available to our students.
